Monday the 13th

Cody and Kristie:

Be my guests at the Historical Society Christmas Dinner on December 12 at Pettinato's Restaurant in Carbondale.

Evening begins at 5:30; dinner at 6 PM; main course options: Veal Piccata, Chicken Marsala, Eggplant Parmesan, and Lasagna.

The annual Christmas Concert by the Crystal Band is a nice event (see attached file). This will be the 38th year in a row that we have sponsored this concert (which will take place this year in the Trinity Episcopal Church--which is on River Street, over by the train station).

All is well here. I'm giving it my best NOT to be overwhelmed by end-of-the-year obligations / commitments.

Best,

Robert

to me

Hello robert:

Kristie and i would be delighted to attend the annual Christmas party with you! Could you put us down for a chicken marsala and lasagna. Kristie is excited because she was not able to attend last year due to work.

I am also gonna try to make it to the Christmas concert this year as well. Thank you for the reminder with the flyer. I now have it marked on my calendar. I have heard great reviews on it every year and can't wait to see it.

The year in winding down in time but not in business it seems. We have been here and there and everywhere it seems even since being back from our trip. I'm glad all is going well and i will try to stop up a day soon if it slows down.

Thank you again for the invite!
Very best,
Cody and kristie
